Stephen:

You have our permission to use images from our Web site in your book with appropriate credit.

I've attached a couple higher resolution images. Both need a little help from PhotoShop.

Regards,

Chris Wood

Subject: Use of image from website

Hello,

I am writing a book chapter for a new robotics book and would like to have permission to use an image from your website. The image is of your model horizontal steam engine assembly kit (http://littlemachineshop.com/products/product_view.php?ProductID=3056&category=-1854567128) and I would like to show this as an example of what a "kit" is. I would be happy to provide your company with a photo credit. An email stating that I have permission to use the image would be sufficient to allow me to publish. If you have a higher resolution image, it would also be appreciated. Thank you for your help with this matter.

Best,
Stephen Balakirsky
