

SolidObject

```
classDiagram
    class SolidObject
    class PartsTrayWithParts
    PartsTrayWithParts --|> SolidObject
```

A UML class diagram illustrating inheritance. At the top is a white rectangular box labeled "SolidObject". Below it is a gray rectangular box labeled "PartsTrayWithParts". A blue arrow points vertically from the top center of the "PartsTrayWithParts" box to the bottom center of the "SolidObject" box, indicating that "PartsTrayWithParts" inherits from "SolidObject".

PartsTrayWithParts
